**FINAL REPORT AND RECOMMENDATION**

Proceeding pro se, Michael J. Head has submitted a one-page handwritten letter, to which he has attached two handwritten grievance forms (in "duplicate"), complaining about his treatment in the Henry County Jail. See [Doc. No. 1]. Mr. Head states that his purpose in mailing those materials is "so I have proof I submitted them." [Id. at 1]. Mr. Head asserts that the "Administrative and Medical Depts. are tampering with the computer system and the paper trail here at the Henry County Sheriff Office Detention Center." [Id.]. Mr. Head did not, however, either (A) submit either the \$400 in fees due to initiate a federal civil rights case or (B) request permission to proceed in forma pauperis ("IFP").

In these circumstances, where Mr. Head has not indicated any desire to initiate a federal civil rights lawsuit, but only to create a "paper trail" for his administrative grievances, the

undersigned **RECOMMENDS** that this case be **DISMISSED WITHOUT PREJUDICE**.

If Mr. Head elects in the future to file a civil rights lawsuit, he may do so, subject to payment of the applicable case initiation fees or receipt of permission to proceed IFP.

The Clerk is **DIRECTED** to mail Mr. Head one copy of this Court's prisoner civil rights complaint form.

The Clerk is further **DIRECTED** to terminate the referral of this case to the undersigned.

**SO RECOMMENDED AND DIRECTED**, this 24th day of November, 2014.
